

**Preliminary Program**  
**6<sup>th</sup> European Round Table Meeting (ERTM)**  
**June, 14<sup>th</sup> 2019**

**“Improvement of cancer care in low to middle income countries  
by transfer of knowledge”**

9:00 am	<u>Welcome and opening remarks</u> Prof. Dr. Olaf Ortmann, President of the German Cancer Society Dr. Julie Torode, Director, Special projects UICC	
09:05 – 9:15 am	Summary and aim of the ERTM	Prof. Dr. O. Ortmann
9:15 – 12:50 am	<u>Keynote presentations</u>	
9:15 – 9:40 am	The role of educational programs to improve cancer care	Prof. Dr. W. Schmiegel, Germany
9:40 – 10:10 am	Learning models for quality improvement on the example of Ethiopia	Prof. Dr. Ch. Thomssen, Germany
10:10 – 10:40 am	Transfer of knowledge by training and education, experience in India	Prof. M. Hakama, Finland
10:40 – 11:40 am	Discussion	
11:40 – 11:50 pm	<u>concurrent interactive session</u> Methods of knowledge transfer and implementation strategies for quality development in cancer care - Introduction	Dr. U. Helbig, Germany
11:50 – 12:50 pm	<i>Networking Lunch</i>	

12:50 – 2:20 pm

Main aspects for specific focus in workgroups

Key questions:

- Which methods of knowledge transfer for quality improvement are successful?

-How important are these aspects and how much effort should be invested?

Work groups

2:20 – 2:50 pm

Presentation workgroups and Discussion

**“A proposal for maximizing the benefits of knowledge transfer for quality improvement in the phase of translational care to patient care”**

All participants

2:50 – 3:00 pm

Concluding remarks

Prof. Dr. O. Ortmann
